We would like to thank all those who participated in the SFIS Fundraiser on Saturday April 25th. Alhamdulillah, the evening proved to be very successful. Over 350 guests from all over the Bay Area gathered to attend the program and learn about our vision and future plans. The support that was received from the community was tremendous and is a direct result of all of your hard work and dedication.

We appreciate your involvement and look forward to having more successful events like this in the future, Insha Allah!

Below, is a rough estimate of how much we raised during the evening.

~\$45,389.28

Important: The SFIS Board has categorized *the money raised during the event as "restricted", which means that it is allocated for Phase II purposes only and can not be used for Sunday school operational expenses.*
